

CEC + UCEC Roadshow 2025

Cost Engineering Committee (CEC) and Upstream Cost Engineering Committee (UCEC) members are invited to attend a one-day CEC + UCEC Roadshow in Sunbury, UK this May! This is a fantastic learning opportunity for members who were unable to attend the 2024 CEC and UCEC meetings held in the United States.

WHY YOU SHOULD ATTEND

Learning Opportunity

Enhance your knowledge in cost estimating and capital management

Benchmarking Awareness

Gain insights into industry standards and practices for strengthening the project controls and capital management capabilities

Networking

Connect with peers from CEC/UCEC and other industry professionals
